Food: We will have self-serve continental breakfasts, pack sack lunches while we are in the field and come home to meals cooking in Crockpots all day. Food will be good but not gourmet,

What to pack:

Clothing:	<ol style="list-style-type: none">1.) While at lodging, comfortable clothes – sweats, PJ's, jeans, slippers2.) During surveys: warm coats, scarfs, boots/shoes, hats, gloves you can write with.3.) Clean jeans, pants, shirts. No dirty torn jeans or t-shirts with messaging. Casual but well kept. We have found if we overdress, it can be intimidating to locals, but look respectable.4.) Shoes good for walking. More than one pair allows them to dry on alternative days. Tennis shoes are fine. Avoid high heels as the sidewalks may be snow covered.
Sleeping:	1.) Linens, blanket or sleeping bag and pillow. Ear plugs and eye mask if you sleep light.
Bathing:	1.) One or two towels, shower/shaving materials, shampoo, soap
Misc.:	1.) Laptop, cell phone, Bible, School ID
